The views expressed in various chapters of this book are that of the individual authors and thus, the editor or the publisher are not responsible for the same. In addition, the responsibility for authenticity of the materials used in various chapters of this volume rests with the concerned authors.

## **ACKNOWLEDGEMENT**

I would like to express my sincere gratitude to all the authors, researchers and reviewers, who provided their detail research and views for “**(IC-RRSSCHT-2017)**”.

I would like to thank team, who supported and encouraged me in spite of all the time it took me away from them. This conference could see the light of day due to generous support from the South Asia Management Association

The Readers and beneficiaries vary from academicians, professional engineers and scientists, to undergraduate and graduate students from all over the country.
